MR. ROBERT HALL

1930 - 1978

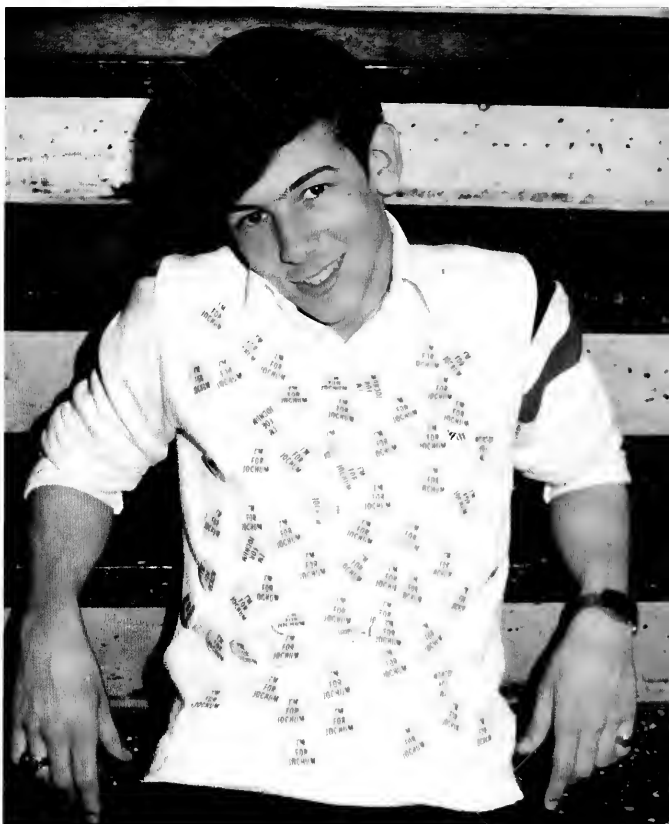

YESTERDAY, so it seems,
We were lost in a world of pictures.
He found us and instilled his knowledge.
With pictures and words in a chaos,
His touch put them together.

TODAY-too quickly it came-
He has left us, never to return,
For he was fighting two battles:
One for us and a personal one-
His, he has lost!

TOMORROW shortly will come.
We will never forget him
But must continue.
We will make him
The victor of our struggle.

The Euclidian Staff

CLINGING to the idea of individualism, the class of 1979 exhibited special traits.

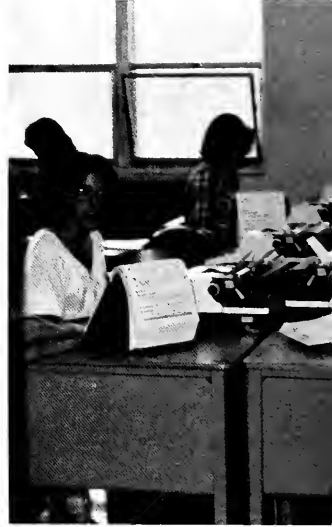

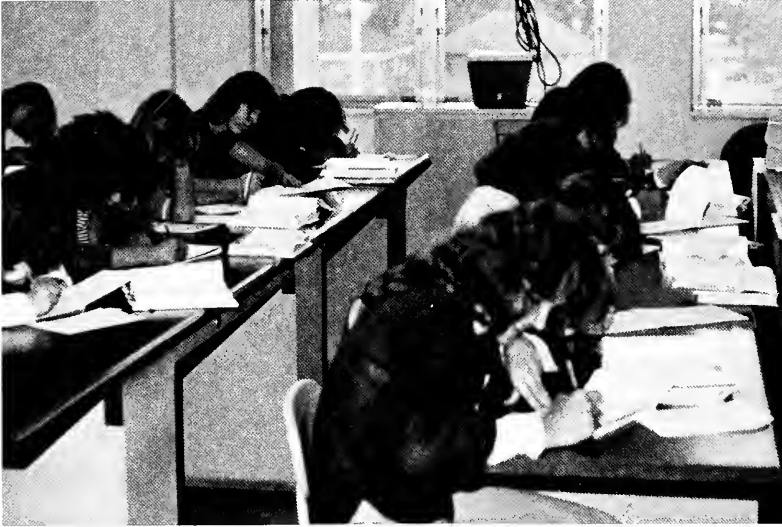

EXPRESSING their differences made them unique . . .

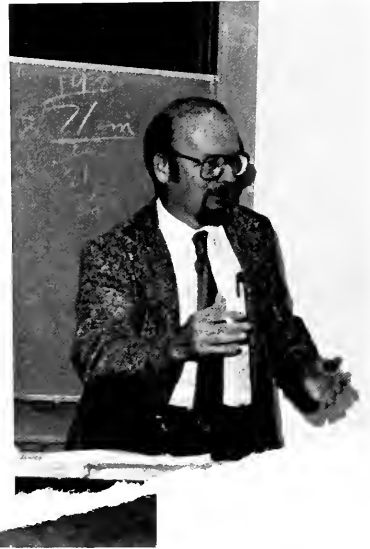

. . . yet similar.

LEARNING was sometimes fun but often painful.

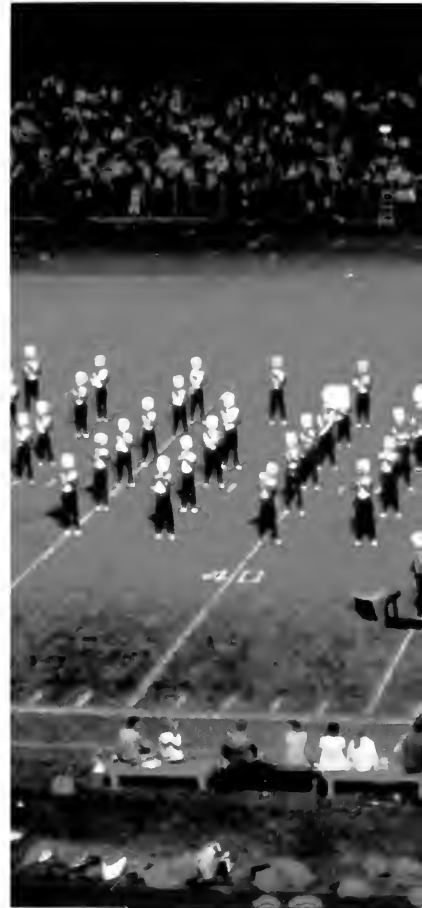

EXERCISING their own styles, teachers instilled knowledge.

RESULTING in personal satisfaction.

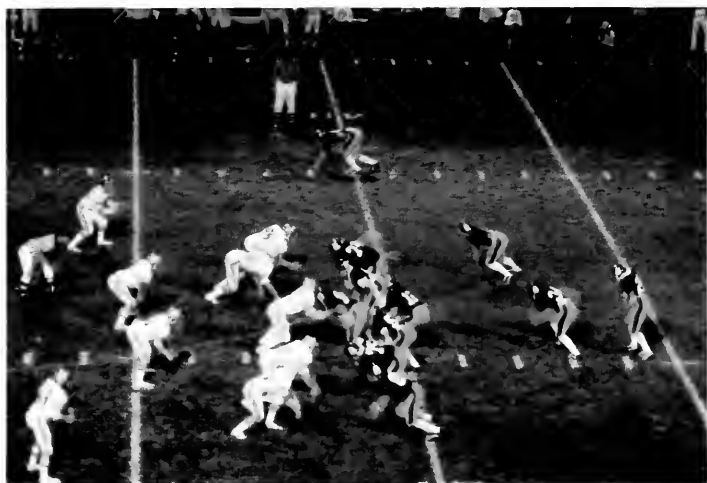

BEING firm believers in extra-curricular activities, they were involved in all aspects of school life . . .

RESULTING in personal satisfaction.

ACHIEVING much athletic success, they were seekers of action . . .

T RAILING no one in the process.

INVESTIGATING different areas of knowledge . . .

ORGANIZING their skills to fulfill goals . . .

NEARING the end of their high school years, their confidence about their future inspires . . .

CELEBRATION

Throughout the year, there were many reasons for CELEBRATION . . . but sometimes they overdid it! The seniors recovered, and waited in anticipation for the FINAL CELEBRATION . . .

UNDERCLASS

SOPHOMORES

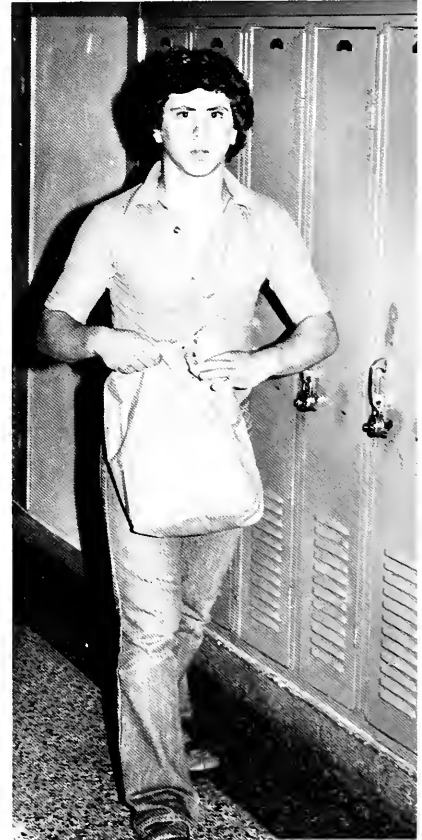

Back in September the Sophomores entered a whole new world of friends and activities. Some of them experienced their first formal dances and pep rallies. They found that the seniors were not as threatening as they expected. Now that the sophomores have been through their first year at Euclid High they will return next year as confident upperclassmen.

JUNIORS

The juniors returned to their second year at Euclid and re-established old friendships. Through a year of new activities, they made new acquaintances. Many of them found their junior year more difficult academically. They experienced their first college-bound test, the PSAT, and started making decisions about their future. These decisions will aid them in planning their senior year.

VICTORY is the Junior battle cry.

FACULTY

ADMINISTRATION

Faced with the dilemma of today's education: declining enrollment and spiraling costs, the Board of Education and Superintendent Husarik successfully campaigned for a new school levy, which will protect the diverse programs of the school system and insure financial stability into the 1980's.

The initiative shown by the Board and Superintendent was reflected in the administration of Dr. Jerry Bergem. In his first year as Principal of Euclid High School, Dr. Bergem maintained the personal contact with students that was his trademark during his years as Assistant Principal while competently handling his new duties. Among the most pressing concerns of Dr. Bergem and Assistant Principal Ruth Smith were preparations for the North Central evaluation of the high school, conducted in March, 1979.

Dr. Bergem's smile lights up the halls.

BOARD MEMBERS: (Seated) Mrs. Shirley M. Nurmi, President; Mr. Donald D. Smith, Vice-President; Mrs. Mark K. King; (Standing) Dr. Frank S. Houser, Mr. Joseph M. Sustersic.

Dr. Ernest A. Husarik, Superintendent of Schools.

Mrs. Smith takes a break from her paperwork.

DEANS AND COUNSELORS

A major change students encountered this year was a re-organization of the Division Offices. Because of the smaller student body, the old system of four divisions, organized alphabetically, was reduced to three division, arranged by grade level. The titles "Division" and "Dean" were changed to "Unit" and "Unit Principal." Although their titles were changed, the Unit Principals' and counselors' jobs remained the same: preparing today's students for tomorrow's world.

1. Mr. Griffin, Sophomore Unit Principal; 2. Mr. Trogia, Sophomore Unit Principal; 3. Mr. Medvick, Junior Unit Principal; 4. Mr. Martin, Senior Unit Principal; Counselors: 5. Mrs. Frye; 6. Mr. Haluska; 7. Mrs. Krup; 8. Dr. Crary; 9. Mrs. Dunn.

SPECIAL PEOPLE

Students may not have the day-to-day contact with them as they do with their teachers, but no school could function without its "special people". Who are the special people? The program directors, nurses, treasurer, secretaries, and others whose services indirectly touch the lives of students each day.

Mrs. Barry, school treasurer.

Mrs. Fellman and Miss Civic, school nurses.

Mr. Bandford, media technician.

Mr. Yocum, career counselor.

Mr. Sawyer, vocational coordinator.

SCIENCE

Experiments, formulas, molecules, theories, and demonstrations revealed the beauty of life. The science courses made the students realize the complexity of everyday life which they ignored. But the technical aspects like: water bottle fights, faking experiments, and making molecules which always appeared like animals, will always be remembered. The teachers made their class very interesting with their "unique style." Everytime "some" teachers casually walked away from their desk, during a lecture, you knew to run to the rear of the classroom.

MATHEMATICS

In this computerized world, it was still necessary to know the basic concepts of mathematics. The Math Department offered a variety of courses for the different levels of mathematical ability. Whether the student needed basic math, consumer math, algebra, geometry, computer math, math analysis, or calculus, he was given the opportunity to develop his skills.

INDUSTRIAL ARTS

In an increasingly technical world, a saleable skill is needed to land that first job. To develop these skills, the Industrial Arts Department offers a variety of technical courses.

Mr. Ramstead died of a sudden illness in January, 1979. Although this was his first year at the high school, his dedication to the school and its students was obvious. His presence will certainly be missed.

ART

For the student seeking self-expression through visual media, art classes offer many different experiences. Classes in crafts, sculpting, and fine arts help students express their inner feelings in a creative way to give pleasure to all.

MUSIC

Music is self-expression. There are many areas of music offered each year: from 10th grade choir, Choral Masters, Varsity Chorale, to the marching band, Concert band, Orchestra. Through the years, music has brought pleasure.

CROSS-COUNTRY

One sport that receives little attention, but deserves much more, is cross-country. This year's team was exceptional in that it made it to the State Meet.

Seniors that have finished their cross-country careers at Euclid include tri-captains Charlie Simpson, Steve Basler, and Eric Jochum, along with Bob Debevec and Larry Plavcan. Five of the top seven runners will return next year, as the underclassmen did a great job of combining with the seniors to make a fine team, notably, juniors Bill Dodd, Paul Calabrese, and Steve Jones and sophomores Steve Fleck and Charlie Petraska. With such a large foundation of underclassmen returning, the harriers should have an even stronger team next year.

CROSS-COUNTRY

The 1978 Girls' Cross-Country team had a highly successful season. Coming in first in three invitationals and second in another three meets, the team showed its great strength and ability. The team also showed a tremendous effort in winning both dual meets.

The outstanding runners of the team were Carrie Shuster and Jan Slejko. Carrie Shuster came in third in the State Meet with a school record time of 14:27.9 and also set a new home course record of 14:55. Jan Slejko came in seventeenth in the State Meet with her best time-15:12.9. It has been a very good year for the 1978 Girls' Cross-Country team.

TENNIS

The 1978 Euclid High School Girls' Tennis Team had a competitive year. Playing in one of the roughest leagues in Northeastern Ohio, they were able to compete on an even basis with most of the teams. Although they didn't have one extremely strong player as they had in the past, this year's team had more depth than other years. The four Seniors: Vickie Chapman, Meg Humensky, Claudia McChancy, and Linda Peirola, were a great asset to this year's team.

GOLF

The Golf Team opened their season with a 160-166 win over Maple. Their wins and losses fluctuated throughout the season and ended with six wins and nine losses. One of the better matches was when they lost by only one point to Brush, the league-leading team.

Don Malone, a senior, was the captain for the 1978 season. Doug Drobnick, a sophomore, used his skill, with Don Malone's great ability and the team's effort, to lead the Golf team to their wins.

VOLLEYBALL

The 1978 Varsity Volleyball squad had an impressive season. With the help of Coach Buck, the team was runner-up in the district competition. One outstanding player was Linda Misch, who was chosen for the G.C.C. all-league team.

The Junior Varsity squad also had a successful season. With a squad comprised of a few juniors and many sophomores, Mrs. Stadler has developed several girls for varsity play next year. The coaching skills of Miss Buck and Mrs. Stadler added to the continued improvement of the team, next year's squads should be quite a success.

INDOOR TRACK

This year's Indoor Track team kept up its winning tradition by getting off to a fine start. The team centered around the fine sprinting and distance crews. The sprinters were led by Vince Malone, Frank Civitarese, Kevin Selway, and Dwight Haney, while the distance men were led by Charlie Simpson and Bill Dodd. In the field events Frank Civitarese and Vince Malone were again dominant along with Tom Waschura. Mike Casciato and John Berlan were leaders in the shot put. In the Knights of Columbus at the Coliseum, Frank Civitarese took fourth place in the 60-yd. hurdles. The team had depth and was strong in all areas. This resulted in a fine overall season.

WATER POLO

Euclid High School's Water Polo team had an undefeated season, winning six out of six games. That helped them carry away first place at the districts, winning all four games. INVESTMENT

Have you ever thought of investing in stock? Well, some of this year's seniors did. The students put their money together and invested it in a carefully selected stock. They hope that the stock will produce a profit. Whatever the value of the stock when they decide to sell it, Mr. Schonauer is sure the students will find the experience exciting and educational.

C.O.E.

The students involved in the Co-operative Office Education classes attended school in the morning and then left for work at local businesses. This helped members gain further skill in the business fields and prepared them for a career after school. As a club, they worked on various projects and became a close group by the time the year was over.

Ginger, played by Jackie Morabito, is an energetic, young athlete who wishes to prove something to herself by making the high school football team. Excellent performances were given by Laura Novosel, who played the outraged principal, and Dave Eros, who played the confused father.

WAI NAPOLO

The 1978-1979 Wai Napolo Swim Team trained every Monday and Wednesday to perfect their aquatic skills in synchronized swimming. They not only learned how to scull and stay afloat at the same time but complicated stunts which were used for their annual swim show. The two adults who are in charge of this year's swim club, Miss Laura Fondran and Miss Judy Carmody, deserve a big thank you for all their time and encouragement given to the club. This talented swim club is an asset to Euclid Senior High School.

WINTER PLAY MORE THAN MEETS THE EYE

This year's Winter Play was a light comedy titled, **More Than Meets The Eye**. It was performed on February 1, 2, and 3rd. Stanley, portrayed by Dave Eros, was a children's author. Being embarrassed by writing children's novels, he used a ghost name of a grandmother. Stanley got into more trouble by winning the "Grandmother of the Year" award. Instead of confessing his pen name, Stanley went along with the con. Some outstanding actors and actresses were Laura Novosel, David Eros, and John Eros.

Here it is--the 1979 edition of the Euclidian! This yearbook celebrates the 30 th anniversary of our school. It is also a celebration of this year's graduating senior class. As the 1979 senior class, we should be proud of ourselves. We have survived twelve years of education. We have also endured life and now we are looking to the promise of our future whether our paths lead to a job after graduation or on to higher education.

We have made many friends and together we have passed through many experiences that will provide us with pleasant memories as the years march past. Our lives have been influenced by our families, friends, and teachers. We must now be able to put together their teachings with our experiences and ambitions for our future adventures.

Many people are needed to complete the gigantic undertaking of putting together a successful yearbook. The people who gave of their time and talents to bring about what you are now holding in your hand as a completed book deserve recognition for their valuable contributions.

First of all, my gratitude to Jackie Mihelcic for putting up with my phone calls during almost all hours of night and day. Somehow, through all our crazy production problems, we were able to produce a yearbook. One of the biggest sections--and the hardest to make--is the activities section. This part was headed by Cheryl Petrick, who seemed always to get her pages in on time...somehow. I Thank you, Cheryl, for not getting too frustrated with my pestering, but also for being a dear friend.

Without your quick wit and frankness, I would never have survived this year even half sane. Thanks, also to Blaine Myers for somehow always being able to produce copy quickly when needed. Another big section was sports under the direction of Jill Radstibner. I could always depend on you for getting your pages in on time without any pressure. The advertising section was done by Jim Simeo. You should be proud of the 'professional' look of your section. Two people who did something that was never done before on a yearbook were Kathy DeLarco and Sue Wameth. Both of you showed everyone it was possible to do a good job in a short time and have everything come out right and looking great. Mimi, I thank you for being in charge of the senior section. You were able to get it done promptly and made it look very good (and still had time to make Rudolph and his friends). Joanna, even though your section took longer to make than expected, you were able to try something new and made it look good. A very special thank you to Mr. Dickinson and Mr. Petrovic for their advice and support during the yearbook production.

The photographers of this yearbook also deserve commendation. Jim, your cover picture turned out really good. Carol, you did an excellent job on the sports section. You are really a nice person even though you are also on the (shhh) Survey staff. Scott, thank you for taking the activities pictures for us. Whatever your first name is, you're a good photographer. By the way, what's wrong with a Polaroid? Mike, your humor always kept everyone smiling. You not only came through on last-minute assignments, but your pleasant personality made life easier, and happier, around deadline time. The divider pages look really top-notch. Rob, your idea came through well appreciated. Thank you for your patience in taking those morning pictures. A special thank-you to Mr. Kinery for his patience in dealing with us and the yearbook production. Also thank-you to all the administrators, teachers, advisors and coaches who helped us with their valued cooperation.

Some other people who made this year worth celebrating should also be mentioned. First of all, my mother and father who encouraged me and gave very good suggestions for the yearbook. To Brian (a spectator or participator???) and Julie (who could 'handle' deadlines, pressures, and the suave, sophisticated way to get sisters off the phone when men suddenly appear at her doorstep) for their encouraging me to sign up for the yearbook staff in my sophomore year. A big thanks to Ellyn (spelled right!!!) for putting up with yearbook papers all over the room. Now it's turn for you to start the 'high school game of life'. Linda Francetic--Thank you for everything, from listening to my problems to helping me with the swim show number. I know we will always be good friends. Next year you're the Senior--enjoy it. A great big handshake to Lonna--that 'secret' handshake can make anyone laugh or at least break an arm. Just wait until high school, all those new people...Thank-you also to that special person who made life so much nicer by just sharing your special smile with me between 5' and 6". A very special thanks to George (see--I did get your name in the book!) who was always there when I needed you. A big thanks goes to this year's Wai Napolo team for their patience with me (I really did have Euclidian meetings) Thank you also goes to Leslie O., Kathy L., Ruidi C., Robbie R., Naomi H., Shelley M., Chris T., Mary Kay J., Laura Fondran, Donata S., Dave E., Svetlana B., Jan U., Andreas J., Steve M., Cindi R., Sandy K., and the Survey Staff for their most interesting personalities and conversations.

Enjoy life to the fullest,

Hannah Tanya Gleisser

I hope that you will enjoy this yearbook, and that it will remind you of fond memories, always. Our theme of CELEBRATION seemed very appropriate since it was the Euclidian's Thirtieth Anniversary. This was also the theme of the seniors in sports, academics, and all of the activities. This was especially true with the Euclidian Staff. The final deadline seemed like it would never come, but it did, and WE MADE IT!!!

I am eternally grateful to everyone who helped sell, promote, and work on the yearbook. I would especially like to thank my photographers and editors, who spent endless hours on it.

Jim Millar-You're the greatest! Without your help, there would not have been a cover, a theme, an introduction, and most likely a yearbook! I am very fortunate that you are patient, and did not kill me, just because I could not decide which sunset to use. It is a good thing that you made it through the year, without TOO many "obstacles." I will never forget all the fun fifth period and our favorite question, "What's a yearbook?"

Carol Hanson-Well, for a sister you aren't that bad. You are an excellent photographer, and I hope that they put you to good use next year. It must run in the family! Come over sometime, and we can have a ping pong tournament, "modern style." We could even consider inviting the pro, Debbie!

Scott Wright-You are also a great asset for next year. I will always remember the play with the furnace, second period, the supplement wall, and the character transformations. Don't get into too much trouble next year!

Mike Kupfer-You were only on the staff for a year, but you proved yourself as a photographer. Always remember don't get caught without a pass!

Rob Frank-Thanks for doing the divider pages. You might have not got them the way you wanted them, but I think that you did a good job. Sorry that your "STAR" didn't get in the book.

Cheryl Petrick-You had the biggest section, and proved that you could do it. You were right, I was trying to steal your (my) secretary. I know that you and George are my true friends. I'm sorry that I was such an expensive one.

Kathy DeMarco and Sue Nemeth-Thank you for finishing your section, so that we could get the special color deal. I know that you will never forget how to use a cropper.

Jill Badstibner-You did an outstanding job on your section. What's so bad about a picture in the introduction with an ice cream cone?

Jim Simeo-You did a great job on the advertising section. How did we manage to end up in the same math class four years in a row? Good Luck!

Joanna Buck-Well, the faculty section is finally done. I thought it would never get finished, because it was difficult to take the candid photos of the teachers. You had some trouble, but it wasn't all your fault.

Mimi Erne-What can I say, you did a super job on the senior section. I expected that much since "you're the greatest person in the world." I did not mean to leave you all alone in German, but that was no reason to change my nickname!

Mr. Dickinson and Mr. Petrovic- Thank you for **all** your help, we might have not shown it but you are the best advisors a staff could ever have.

Thank you to everyone who helped with the yearbook, especially the following: George, Elaine, Helene, Jeanette, Ann, Svet, Diane, Ellen, Martha, Karen, Chris, Chris, Sue, Judy, Cindi, Eileen, Bob, Rob, Bob, Wendy, Karen, Debbie, Leslie, Dr. Bergem, Morie Levine, Doug Levine, Joe and Frankie (at Raimor's), Mr. Theodore, Mr. Muscarella, Dr. McNeilly, Mr. Rackovan, and everyone who had ANYTHING to do with it. If I have neglected anyone, I am sincerely sorry! I would also like to thank my understanding parents, especially when I came home at late hours on the nights of deadlines. Uncle Mike, thank you for everything, we hope you like your senior picture. Mr. Muscarella, thank you for understanding when I came to Practice LATE! You're the greatest coach a person could ever have!

Sincerely,

Janie Mitchell
